**RFP EXCEPTIONS**

The RESPONDENT must identify any exceptions they want to make to the RFP requirements on this "RFP Exception Form". Exception may result in a rejection of the Proposal, reduction in Qualitative Scoring or neither, depending on the ENTITIES understanding of how harmful the exceptions will be to KPC on this project. KPC shall be the sole judge of the impact of any exceptions and shall not debate their determination with a RESPONDENT.

List all exception below including three components. First, state the language that is being accepted. Second, provide language the RESPONDENT would propose replace the excepted language. Lastly, provide an explanation for why the RESPONDENT is taking exception to the RFP language and how the proposed language will not be harmful to KPC.

KPC TAKES NO EXCEPTIONS:

I, Louis P. Maltezos, an authorized representative of the RESPONDENT, take no exceptions to the RFP requirements and hereby verify that we will comply with all terms, conditions and requirements contained within the RFP. (Please note: Ameresco takes no exceptions to the Terms and Conditions explicitly on pages 1 through 19 of the RFP document.)
