2. **INSTRUCTIONS FOR BIDDERS:** These standard terms and conditions along with the bid specific terms and conditions apply to all bids submitted. Explain any requested deviations or exceptions as part of your bid proposal. KEDC may, at its discretion, accept or reject any or all deviations or exceptions proposed. In the event of a discrepancy between the standard and bid specific terms the bid specific terms will govern. The public notice for this invitation, the invitation itself, and any addendums are available for view, download, or print from the Internet at www.kpc4me.com on the bid public notice date and until the time and date specified for the bid opening. Bid tabulations will be made by KEDC staff and, after KEDC has taken official action, will be posted to the above website.
3. **BID FORMS AND RETURN INSTRUCTIONS:** Bids will be opened at the KEDC office at 904 Rose Road, Ashland, KY 41102-7104 at the Bid Opening Date specified above. All sealed bids must be received by the date and time designated and none will be considered thereafter and clearly marked SS-2020 on the outside of the envelope. Failure to have bid in prior to the date and time designated for the bid opening will automatically prevent the reading of your bid and such bids will be returned to the bidder. KEDC cannot assume the responsibility for any delay as a result of failure of the mail or delivery services to deliver bids on time. (Please note that FED EX does not guarantee delivery time to KEDC because they classify KEDC as being in a rural area.) At the specified time, all bids will be opened and the name of each bidder will be read aloud. Any interested parties may attend. No immediate decision will be rendered concerning the bids submitted.

Faxed submissions will NOT be accepted.

4. CLARIFICATION: For clarification or additional information relative to this bid invitation contact the KEDC Member Services Team by email at memberservicesteam@kedc.org or phone (606) 928-0205.
5. PROCUREMENT CONSIDERATIONS: KEDC conducts all procurement transactions in full compliance with all applicable federal and state statutes, regulations and rules.

It is the clear intention of KEDC to foster all procurement transactions in a manner to provide to the maximum extent practicable, open and free competition (20 U.S.C. 1221e-3(a)(1) and 3474, - 22 CFR 135).

KEDC shall make positive efforts toward procuring and utilizing small business and minority-owned business sources of supplies and services. All such efforts shall be made to allow these sources the maximum feasible opportunity to compete for contracts.

All procurement procedures developed and implemented by KEDC shall assure that unnecessary or duplicative items are not purchased. Where appropriate, considerations of lease and purchase alternatives will be made to determine which would be the most economical and practical procurement.

All KEDC bids and solicitations for goods and services shall be based upon a clear and accurate description of the technical requirements for the material, product or service to be procured. Such description shall not, in competitive procurements, contain features that unduly restrict competition. Brand name or equal clause may be used as a means to define the performance of other salient requirements of procurement, and when so used to specify features of the named brand that must be met by bidder/offer.

A contract will be entered into by KEDC with only responsible bidders who possess the potential ability to perform successfully under the terms and conditions. Consideration shall be made for such matters as a bidder's integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. KEDC shall follow the principles of cost analysis in the review and evaluation of bids to determine if the bidder meets the requirements or reasonableness, allocability, and allowability.

KEDC shall follow the principles of cost analysis in the review and evaluation of bids to determine if the bidder meets the requirements or reasonableness, allocability, and allowability.

6. AUTHENTICATION OF BID AND STATEMENT OF NON-COLLUSION AND NON-CONFLICT OF INTEREST AND COMPLIANCE WITH THE KENTUCKY MODEL PROCUREMENT CODE: By my signature on the bid certification, I hereby swear or affirm under penalty of false swearing as provided by KRS 523.040:
I am the bidder (if bidder is an individual), a partner in the bidder (if the bidder is a partnership), or an officer or employee of the bidding corporation having authority on its behalf (if the bidder is a corporation).

The costs quoted in the bid response are correct and have been arrived at by the bidder independently and have been submitted without collusion and without agreement, understanding, or planned common course of action, with any vendor of materials, equipment, or services described in the invitation to bid, designed to limit independent bidding or competition.

The contents of the bid or bids have not been communicated by the bidder, or its employees, or agents to any

person not an employee or agent of the bidder or its surety on any bond furnished with the bids and will not be communicated to any such person prior to the official opening of the bid or bids. Bidder certifies that this proposal is made without prior understanding, agreement, or connection with any corporation, firm or person submitting a proposal for the same materials, supplies, or equipment, and is in all respects fair and without collusion or fraud. The bidder certifies that collusive bidding is a violation of federal law and can result in fines, prison sentences and civil damage awards.

The KEDC collective bidding process is conducted consistent with KRS Chapter 45A:345 through 45A:460, the Model Procurement Code and that the contents of the bid response and the actions taken by the bidder in preparing and submitting the bid response are in compliance with above sections of the Model Procurement Code.

The bidder is legally entitled to enter into contracts with agencies of the Commonwealth of Kentucky and is not in violation of any prohibited conflict of interest, gratuities and kickbacks including those prohibited by the provisions of the Model Procurement Code (KRS Chapter 45A). Any employee or official of KEDC or member institution, who shall take, receive, or offer to take or receive, either directly or indirectly, any rebate, percentage of contract, money, or things of value as an inducement or intended inducement, or in the procurement of business, or the giving of business, for or to or from, any person, or in open market seeking to make sales to the membership shall be deemed guilty of a felony and upon conviction such person or persons shall be subject to punishment or fine in accord with state and/or federal laws.

7. CERTIFICATION REGARDING LOBBYING: The bidder certifies, to the best of his or her knowledge and belief, that:
 - a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
 - c. The bidder shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. The Contractor will comply with the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) and the New Restrictions on Lobbying and has signed and attached to this agreement the Certificate Regarding Lobbying and, if applicable, the Disclosure of Lobbying Activities (Forms SF-LLL) and annually will sign and submit a certificate, if applicable, Form SF-LLL to KEDC.

8. CERTIFICATION CONCERNING DISBARMENT AND SUSPENSION: The contractor understands that a contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System

for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

By signing and submitting its bid or proposal, the bidder or proposer certifies as follows:

The certification in this clause is a material representation of fact relied upon by KEDC. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to KEDC, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 CFR 180.220 while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

9. **ERROR IN BID:** No bid may be altered, or amended after the specified time and date set for the bid opening. The KEDC Board or its designee reserves the right to waive defects and informalities in bids, to reject any or all bids, or to accept any bid as may be deemed to its interest. KEDC may allow the withdrawal of a bid where there is a patent error on the face of the bid document, or where the bidder presents sufficient evidence, substantiated by bid worksheets, that the bid was based upon an error in the formulation of the bid price.
10. **WITHDRAWAL OF BID:** All bids shall be valid for a period of thirty (30) days from the bid opening date to allow for tabulation, study, and consideration by the KEDC Board or its designee. The bidder may withdraw a bid, without prejudice, prior to the published bid opening date.
