## STANDARD TERMS AND CONDITIONS

1. **INSTRUCTIONS FOR RESPONDENTS:** These standard terms and conditions along with the proposal specific terms and conditions apply to all proposals submitted. Explain any requested deviations or exceptions as part of your proposal. KEDC may, at its discretion, accept or reject any or all deviations or exceptions proposed. In the event of a discrepancy between the standard and proposal specific terms the proposal specific terms will govern.
2. **PROPOSAL FORMS AND RETURN INSTRUCTIONS:** KEDC is utilizing the online procurement services of KPC to facilitate this solicitation. KPC has an online interface that creates a confidential and encrypted electronic submission. Submission requires that each respondent has an updated vendor account. Instructions on how to register as a new vendor or update an existing account and complete the submission process can be found at <http://www.kpc4me.com/bid-opportunity>. For assistance with registration or technical questions regarding the online interface contact [info@kpc4me.com](mailto:info@kpc4me.com). Tabulation will be made by KEDC staff and, after the KEDC Board or its designee has taken official action, will be posted to the <http://www.kpc4me.com> website.

Submit all proposals and any attachments via the online application. No other form of submission (e.g., paper, telephone, facsimile, telegraph, mail, etc.) will be accepted. Proposals submitted on company forms are subject to rejection. The respondent acknowledges that the respondent has read this invitation, understands it, and agrees to bind by its terms and conditions

3. **CLARIFICATION:** For clarification or additional information relative to this invitation contact the KEDC Member Services Team by email at [memberserviceteam@kedc.org](mailto:memberserviceteam@kedc.org) or phone (606) 928-0205.
4. **PROCUREMENT CONSIDERATIONS:** KEDC conducts all procurement transactions in full compliance with all applicable federal and state statutes, regulations, and rules.

It is the clear intention of KEDC to foster all procurement transactions in a manner to provide to the maximum extent practicable, open, and free competition. (20 U.S.C. 1221e-3(a)(1) and 3474, - 22 CFR 135)

KEDC shall make positive efforts toward procuring and utilizing small business and minority-owned business sources of supplies and services. All such efforts shall be made to allow these sources the maximum feasible opportunity to compete for contracts.

All procurement procedures developed and implemented by KEDC shall assure that unnecessary or duplicative items are not purchased. Where appropriate, considerations of lease and purchase alternatives will be made to determine which would be the most economical and practical procurement.

All KEDC solicitations for goods and services shall be based upon a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features that unduly restrict competition. Brand name or equal clause may be used to define the performance of other salient requirements of procurement, and when so used to specify features of the named brand that must be met by the respondent.

A contract will be entered into by KEDC with only responsible respondents who possess the potential ability to perform successfully under the terms and conditions. Consideration shall be made for such matters as a respondent's integrity, record of past performance, financial and technical resources, or accessibility to other necessary resources. KEDC shall follow the principles of cost analysis in the review and evaluation of proposals to determine if the respondent meets the requirements or reasonableness, allocability, and allowability.

5. AUTHENTICATION OF PROPOSAL AND STATEMENT OF NON-COLLUSION AND NON-CONFLICT OF INTEREST AND COMPLIANCE WITH THE KENTUCKY MODEL PROCUREMENT CODE: By my signature on the proposal certification, I hereby swear or affirm under penalty of false swearing as provided by KRS 523.040:

I am the respondent (if respondent is an individual), a partner in the respondent (if the respondent is a partnership), or an officer or employee of the responding corporation having authority on its behalf (if the respondent is a corporation).

The costs quoted in the response are correct and have been arrived at by the respondent independently and have been submitted without collusion and without agreement, understanding, or planned common course of action, with any vendor of materials, equipment, or services described in the request for proposals, designed to limit independent competition.

The contents of the proposal have not been communicated by the respondent, or its employees, or agents to any person not an employee or agent of the respondent or its surety on any bond furnished with the proposal and will not be communicated to any such person prior to the official opening of the proposal. Respondent certifies that this proposal is made without prior understanding, agreement, or connection with any corporation, firm or person submitting a proposal for the same materials, supplies, or equipment, and is in all respects fair and without collusion or fraud. The respondent certifies that collusion is a violation of federal law and can result in fines, prison sentences and civil damage awards.

The KEDC solicitation process is conducted consistent with KRS Chapter 45A:345 through 45A:460, the Model Procurement Code, and that the contents of the response and the actions taken by the respondent in preparing and submitting the response comply with above sections of the Model Procurement Code.

The respondent is legally entitled to enter contracts with agencies of the Commonwealth of Kentucky and is not in violation of any prohibited conflict of interest, gratuities and kickbacks including those prohibited by the provisions of the Model Procurement Code (KRS Chapter 45A). Any employee or official of KEDC or member institution, who shall take, receive, or offer to take or receive, either directly or indirectly, any rebate, percentage of contract, money, or things of value as an inducement or intended inducement, or in the procurement of business, or the giving of business, for or to or from, any person, or in open market seeking to make sales to the membership shall be deemed guilty of a felony and upon conviction such person or persons shall be subject to punishment or fine in accord with state and/or federal laws.

6. CERTIFICATION REGARDING LOBBYING: The respondent certifies, to the best of his or her knowledge and belief, that:
- a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
  - b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
  - c. The respondent shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. The Contractor will comply with the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) and the New Restrictions on Lobbying and has signed and attached to this agreement the Certificate Regarding Lobbying and, if applicable, the Disclosure of Lobbying Activities (Forms SF-LLL) and annually will sign and submit a certificate, if applicable, Form SF-LLL to KEDC.

CERTIFICATION CONCERNING DISBARMENT AND SUSPENSION: The contractor understands that a contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

By electronically signing and submitting a proposal, the respondent certifies as follows:

The certification in this clause is a material representation of fact relied upon by KEDC. If it is later determined that the respondent knowingly rendered an erroneous certification, in addition to remedies available to KEDC, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The respondent agrees to comply with the requirements of 2 CFR 180.220 while this offer is valid and throughout the period of any contract that may arise from an offer. The respondent further agrees to include a provision requiring such compliance in its lower tier covered transactions.

8. ERROR IN PROPOSAL: No proposal may be altered or amended after the specified time and date set for the opening. The KEDC Board or its designee reserves the right to waive defects and informalities in proposals, to reject any or all proposals, or to accept any proposal as may be deemed to its interest. KEDC may allow the withdrawal of a proposal where there is a patent error on the face of the document, or where the respondent presents sufficient evidence, substantiated by worksheets, that the proposal was based upon an error in the formulation of the price.
9. WITHDRAWAL OF PROPOSAL: All proposals shall be valid for a period of thirty (30) days from the opening date to allow for tabulation, study, and consideration by the KEDC Board or its designee. The respondent may withdraw a proposal, without prejudice, prior to the published opening date.

The contract may be extended on an annual basis by KEDC not to exceed five years in total including the first contract period. KEDC shall notify the awarded respondent in writing of its intent to extend or not to extend the contract by March 15<sup>th</sup> of each year. If KEDC notifies awarded respondent of intent to extend the contract by one year, awarded respondent shall respond in writing by April 1<sup>st</sup> that it either does or does not intend to extend the contract. The determination to renew the contract beyond the initial year shall be determined in part by the performance of the awarded respondent and by price stability during the contract period. KEDC will periodically provide evaluation summaries to the awarded respondent (See draft copy of Evaluation Form included). If both parties agree to extend the contract by one year, awarded respondent shall respond by May 17 with any necessary price increases or decreases for the first contract period of the extended year. The awarded respondent MAY NOT submit multiple discount levels for the same product by KEDC member or region.

Upward price adjustments are permissible based on documented changes in the Consumer Price Index for All Urban Consumers (CPI-U) Food Away from Home. Food items shall be fixed for six months, non-food items shall be fixed for a year, and produce shall be provided as weekly delivered cost. The awarded respondent shall notify KEDC 45-days prior to the period for any requested price increases or decreases. All price adjustment requests must include a usage

In support of the Buy American provision the respondent certifies that the products provided to KEDC members are domestically grown, processed, and manufactured in the United States to the maximum extent practicable. The respondent will provide documentation to KEDC prior to award and to the member prior to shipment for each product sourced internationally. **Documentation must include item number, item description, country of origin, and exception rationale.** Allowable exceptions to the Buy American Provision are limited to 1) the product is not produced or manufactured in the United States in sufficient and reasonable available quantities of a satisfactory

If the respondent feels the cost of the domestic product is significantly higher, they must list the price of the domestic product as well as the non-domestic product price on the proposal worksheet. The decision to purchase domestic or non-domestic product will rest with the Child Nutrition Director of each participating member. The school system reserves the right to accept the delivery, authorize another acceptance signature, or to return the delivery. If the truck has not left the distributor's warehouse, the delivery will be made on the next day that schools are re-opened unless notified otherwise.

An emergency delivery communication plan is to be provided to each participating KEDC Member upon award.

26. DELIVERY FAILURE: If the vendor fails to deliver an order, the vendor shall take corrective action by either making a special delivery to the member or by arranging for delivery by another vendor. This delivery will be made within 48 hours of the original delivery day. The vendor will provide any overtime pay incurred by any of the member's employees if a late delivery occurs.
