Contract Period section paragraph addition, Adopted 12/01/2022

CONTRACT PERIOD: The contract may be extended on an annual basis by KPC not to exceed five years in total including the first contract period. KPC shall notify the contractor of its intent to extend or not to extend the contract by September 1st of each year. If KPC notifies contractor of intent to extend the contract by one year, the contractor shall respond by October 15th with any necessary price increases or decreases for the extended year. Upward and downward price adjustments are permissible based on documented changes in the Consumer Price Index for All Urban Consumers (CPI-U). If price increases submitted are deemed excessive by KPC then KPC shall have cause to not extend the contract. Price change notifications will follow the same pattern as above for any years in which this contract is extended. KPC reserves the right to extend the term for up to 180 days to continue a source of supply until new or replacement contracts are completed.

KPC reserves the right to renew and/or solicit additional bids. Any contract extension is contingent upon written agreement of KPC and the contractor. The bid will not be automatically extended beyond any current year unless expressly approved by KPC. KPC reserves the right on any contract extension to revise, update, or supplement the contract terms and conditions including the assessment of administrative fees to the contractor as needed to cover the cost of KPC servicing the bid contract, bidding program, or procurement service for the members.
