5. PROCUREMENT CONSIDERATIONS: KEDC conducts all procurement transactions in full compliance with all applicable federal and state statutes, regulations and rules.

It is the clear intention of KEDC to foster all procurement transactions in a manner to provide to the maximum extent practicable, open and free competition. (20 U.S.C. 1221e-3(a)(1) and 3474, - 22 CFR 135)

KEDC shall make positive efforts toward procuring and utilizing small business and minority-owned business sources of supplies and services. All such efforts shall be made to allow these sources the maximum feasible opportunity to compete for contracts.

All procurement procedures developed and implemented by KEDC shall assure that unnecessary or duplicative items are not purchased. Where appropriate, considerations of lease and purchase alternatives will be made to determine which would be the most economical and practical procurement.

All KEDC bids and solicitations for goods and services shall be based upon a clear and accurate description of the technical requirements for the material, product or service to be procured. Such description shall not, in competitive procurements, contain features that unduly restrict competition. Brand name or equal clause may be used as a means to define the performance of other salient requirements of procurement, and when so used to specify features of the named brand that must be met by bidders/offer's.

A contract will be entered into by KEDC with only responsible bidders who possess the potential ability to perform successfully under the terms and conditions. Consideration shall be made for such matters as a bidder's integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. KEDC shall follow the principles of cost analysis in the review and evaluation of bids to determine if the bidder meets the requirements or reasonableness, allocability, and allowability.

6. AUTHENTICATION OF BID AND STATEMENT OF NON-COLLUSION AND NON-CONFLICT OF INTEREST AND COMPLIANCE WITH THE KENTUCKY MODEL PROCUREMENT CODE: By my signature on the bid certification, I hereby swear or affirm under penalty of false swearing as provided by KRS 523.040:

I am the bidder (if bidder is an individual), a partner in the bidder (if the bidder is a partnership), or an officer or employee of the bidding corporation having authority on its behalf (if the bidder is a corporation).

The costs quoted in the bid response are correct and have been arrived at by the bidder independently and have been submitted without collusion and without agreement, understanding, or planned common course of action, with any vendor of materials, equipment, or services described in the invitation to bid, designed to limit independent bidding or competition.

The contents of the bid or bids have not been communicated by the bidder, or its employees, or agents to any person not an employee or agent of the bidder or its surety on any bond furnished with the bids and will not be communicated to any such person prior to the official opening of the bid or bids. Bidder certifies that this proposal is made without prior understanding, agreement, or connection with any corporation, firm or person submitting a proposal for the same materials, supplies, or equipment, and is in all respects fair and without collusion or fraud. The bidder certifies that collusive bidding is a violation of federal law and can result in fines, prison sentences and civil damage awards.

The KEDC collective bidding process is conducted consistent with KRS Chapter 45A:345 through 45A:460, the Model Procurement Code and that the contents of the bid response and the actions taken by the bidder in preparing and submitting the bid response are in compliance with above sections of the Model Procurement Code.

If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to KEDC, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 CFR 180.220 while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

	POINTS
1. Market basket analysis	50

Bidders deemed not responsive and/or not responsible will be rejected and no further evaluation of their bid submission will occur.

3. SERVICE AREA: A bidder will not be required to sell to or serve all eligible members. Any bidder that cannot serve all members is required to complete the Service Area Tab in the provided Excel Workbook indicating the members the bidder can serve. If this list is not returned then the bid contract will be available to all members.
4. MARKET BASKET ANALYSIS: The Market Basket Analysis sample is established based on the value of the contract to be awarded.  - Nonfat Chocolate Milk ½ Pint Carton or Container

Prices for the remaining items listed in the solicitation should also be included, though they will not be a part of the market basket analysis.

7. **CONTRACT PERIOD:** The contract period is for one year plus any extensions and will expire July 31, 2022. The contract may be extended on an annual basis by KEDC not to exceed five years in total including the first contract period. If price increases submitted are deemed excessive (defined as greater than index) by KEDC then KEDC shall have cause to not extend the contract.

Any contract extension is contingent upon written agreement of KEDC and the awarded bidder. The bid will not be automatically extended beyond any current year unless expressly approved by KEDC. KEDC reserves the right on any contract extension to revise, update, or supplement the contract terms and conditions including the assessment of administrative fees to the awarded bidder as needed to cover the cost of KEDC servicing the bid contract for the members.

KEDC reserves the right to extend the term for up to 180 days to continue a source of supply until new or replacement contracts are completed.

The Buy American provision was added to the National School Lunch Act (NSLA) by Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-336). Section 12(n) to the NSLA (42 USC 1760(n)), requiring school food authorities (SFAs) to purchase, to the maximum extent practicable, domestic commodity or product.

Domestic Commodity or Product is defined as an agricultural commodity that is produced in the United States and a food product that is processed in the United States using substantial agricultural commodities that are produced in the United States.

Substantial means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards SFAs must comply with when purchasing commercial food products served in the school meals programs.

Buy American: Schools participating in the federal school meal programs are required to purchase domestic commodities and products for school meals to the maximum extent practicable. Domestic commodity or product means an agricultural commodity that is produced in the US and a food product that is processed in the US substantially (at least 51 percent) using agricultural commodities that are produced in the US.

Federal regulations require that all foods purchased for Child Nutrition Program be of domestic origin to the maximum extent practicable. While rare, two (2) exceptions may exist when: the product is not produced or manufactured in the US in sufficient, reasonable and available quantities of a satisfactory quality, such as bananas and pineapple; and competitive proposals reveal the cost of a domestic product is significantly higher than a non-domestic product.

ALL products that are normally purchased by Distributor as non-domestic and proposed as part of this solicitation must be identified with the country of origin. Distributor shall outline their procedures to notify School when products are purchased as non-domestic. Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing, by the Food Service Director, prior to the delivery of the product to the School. Any nondomestic product delivered to the School, without the prior, written approval of the Food Service Director, will be rejected.

Distributor must affirm their willingness to assert their best and reasonable efforts to ensure compliance with this federal rule.

The bidder will provide documentation to KEDC prior to award and to the member prior to shipment for each product sourced internationally. **Documentation must include item number, item description, country of origin, and exception rationale.** Allowable exceptions to the Buy American Provision are limited to 1) the product is not produced or manufactured in the United States in sufficient and reasonable available quantities of a satisfactory quality; and 2) competitive bids reveal the costs of a United States product are significantly higher than the foreign product. Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing, by the Food Service Director, prior to the delivery of the product to the School.

If the respondent feels the cost of the domestic product is significantly higher, they must list the price of the domestic product as well as the non-domestic product price on the bid worksheet. The decision to purchase domestic or non-domestic product will rest with the Child Nutrition Director of each participating member.

KEDC members reserve the right to return at the bidder's expense all items found to be in violation of the Buy American Provision if the product does not qualify for one of the exceptions listed above.
